

FUNCTIONING ALCOHOLIC

Odetari

I can't function without you
I can't function without you
Me, you, feels so right
I just can't function without y-y-y-y-you
I just can't function without y-y-y-y-you
I'm really tryna give it my best I don't know how to
I'm really tryna give it my best I don't know how to

I'll be alright
I promise everything shit I would never lie
I know it's wrong how do it look you in the eyes
But you you not so stupid you look like my type
Crawl to me
Set my soul on fire

I can't function without you
I can't function without you
Me, you, feels so right
I just can't function without y-y-y-y-you
I just can't function without y-y-y-y-you
I just can't function without y-y-y-y-you
I just can't function without y-y-y-y-you

I feel so weak
I feel so weak
It's so hard to socialize
I feel so weak
I feel so weak
It's so hard to function right

I just can't function without you
I just can't function without you
I just can't function without you
I just can't function without you
