

# KEEP UP

Odetari

('Tari, get over here)

Keep up, I'm too fa-ast, I'm too fa-a-ast  
Push my foot up on that pedal, then I'm gone  
(G-g-g-gone, g-g-gone, gone)  
Keep up on my track, on my track  
'Fore I dust it, keep my numbers going strong  
(Strong, strong, str-str-str-strong)

Let's start the war, I love it when it's like that  
G-go ahead, I'll get ya right back  
I-I-I love it when you fight back  
I'm up, so, where yo' flight at?  
N-n-no (Hell nah, nah, nah, keep fussin')  
L-l-life-, life's paid to hell was chosen

Keep up, I'm too fa-ast, I'm too fa-a-ast  
Push my foot up on that pedal, then I'm gone  
(G-g-g-gone, g-g-gone, gone)  
Keep up on my track, on my track  
'Fore I dust it, keep my numbers going strong  
(Strong, strong, str-str-str-strong; let's tr-tr-trance now)

I'm good how I'm lookin' slashed  
From the span like a bidet (Trance now)  
Everybody here get busy, everybody here get busy  
Give me everything you took from me  
(Give me everything you took from me)

Keep up, I'm too fa-ast, I'm too fa-a-ast  
Push my foot up on that pedal, then I'm gone  
(G-g-g-gone, g-g-gone, gone)  
Keep up on my track, on my track  
'Fore I dust it, keep my numbers going strong  
(Strong, strong, str-str-str-strong; let's-)

Lust up my coat, bitch, I'm rockin' chinchilla  
Nah, bitch, I ain't a drug dealer  
Makin' money while I sleep  
Makin' money while I eat, my stomach so full of  
I need somethin' everyday, I heard somethin' every week  
I don't know what's gon' fit up  
Either way, they know I'm not cheap  
They should've been this world-ass freak  
While my bank still fill up

Fa-ast, I'm too fast  
Push my foot up on that pedal, then I'm gone  
(G-g-g-gone, g-g-gone, gone)  
Keep up on my track, on my track  
'Fore I dust it, keep my numbers going strong  
(Strong, strong, str-str-str-strong)
