

MUDDY CUP

Odetari

Cup, fill my cup
Mix that shit until it's mud
My mud, my mud, my mud, my mud
Fill my cup, fill my cup
Mix that shit until it's mud
My mud, my mud, my mud, my mud

I don't wanna feel nothin' at all
All of these pills can't fit in my jaws
I don't gotta clock into no job
Got everybody here playin' my song
Why everyone tryna get so close?
Don't let 'em in, close the door
Don't try to run up on me, please don't
My brothers put one in your dome

Cup, fill my cup
Mix that shit until it's mud
My mud, my mud, my mud, my mud
Fill my cup, fill my cup
Mix that shit until it's mud
My mud, my mud, my mud, my mud

Get two cups, cups, cups, cups, cups
Get two cups, cups, cups, cups, cups
Get two cups, cups, cups, cups, cups
Get two cups, cups, cups, cups, cups

Cup, fill my cup
Mix that shit until it's mud
My mud, my mud, my mud, my mud
Fill my cup, fill my cup
Mix that shit until it's mud
My mud, my mud, my mud, my mud

I don't wanna feel nothin' at all
All of these pills can't fit in my jaws
I don't gotta clock into no job
Got everybody here playin' my song
Why everyone tryna get so close?
Don't let 'em in, close the door
Don't try to run up on me, please don't
My brothers put one in your dome

Cup, fill my cup
Mix that shit until it's mud
My mud, my mud, my mud, my mud
Fill my cup, fill my cup
Mix that shit until it's mud
