

PRAY 4

Odetari

I'm ashamed of me
Always anxiously worried what they say to me
I done things that the devil made me hate to be (Ah-ah-ah-ah)
Thinking all of this from God, yeah, he sanctioned me
Yeah, I'm doing way more wrong, for what I pray to leave (Ah-ah-ah)

Oh, I pray to leave (Yeah)
Oh, I pray to leave (Yeah)
You can take it from those eyes, they endanger me
Oh, I pray to leave
Oh, I pray to be (Yeah, yeah)
Don't you ever sell your dignity-
