

SCORPIO

Odetari

I love your ghos-ghos-ghost, ghos-ghost
I love your ghos-ghos-ghost, ghos-ghost
Strangle you, but it's fine, that shit stick around
Slam the door, blew up first
It's all got a different sound

Yeah, Scorpio, Scorpio, Scorpio, Scorpio, Scorpio
Scorpio, Scorpio, Scorpio, Scorpio (Yeah)
Scorpio (Yeah), Scorpio (Yeah), Scorpio (Yeah), Scorpio (Yeah)
Scorpio (Yeah), Scorpio (Yeah), Scorpio (Yeah)
Scorp, scorp

Made it through to ya
Set me up, I took it, yeah
I got motivation to write it now
I got her ready to ride it, now she wanna know what my sign is
Told her I don't care, I didn't even know that that exists, yeah
Told her so, told her so

It's Scorpio, Scorpio, Scorpio, Scorpio, Scorpio
Scorpio, Scorpio, Scorpio, Scorpio (Yeah)
Scorpio (Yeah), Scorpio (Yeah), Scorpio (Yeah), Scorpio (Yeah)
Scorpio (Yeah), Scorpio (Yeah), Scorpio (Yeah)

Even though she told me, yeah
I'm feeling on the mend, yeah
Just goin', wreakin' havoc all over the planet
Scorpio, Scorpio, Scorpio, Scorpio, Scorpio, Scorpio
Scorpio went everywhere
Scorpio inside my head
Scorpion is waking now, scorpion is waking now
Scorpio, scorp, scorp-scorp-scorp
Scorpio is in my mind, Scorpio is in my head
Scorpio is in my mind, Scorpio is in my head
Told her, I told her, I told her, I told her now
I told her that they follow you, yeah
They told me that they follow you
Scorpion is in my mind, scorpion is coming through
Scorpio, Scorpio

Scorpio, Scorpio, Scorpio, Scorpio, Scorpio
Scorpio, Scorpio, Scorpio, Scorpio (Yeah)
Scorpio (Yeah), Scorpio (Yeah), Scorpio (Yeah), Scorpio (Yeah)
Scorpio (Yeah), Scorpio (Yeah)

Scorp, hit the scorp
Hit the scorp, hit the scorp
Hit the scorp, hit the scorp
Hit the scorp, hit the scorp
Ooh, na-na-na
Ooh, na-na
