

UP FREESTYLE

Odetari

I'm still goin' up-up-up-up, up-up-up-up, up-up-up-up, up-up
I'm still goin' up-up-up-up, up-up-up, up-up-up-up, up-up
(You are now tuned in to 9lives radio)
I'm still goin' up-up-up-up, up-up-up, up-up-up-up, up-up
I'm still goin' up-up-up-up, up-up-up, up-up-up-up, up-up
I'm still goin' up

You ain't happy, so you go and put everybody else through hell
That shit ain't gonna ride with me, that shit ain't gonna roll
with me

If you wanna go somewhere and find something else
Then go ahead, go and leave, go ahead, go and leave
Nah, you can't make me mad

I look at my bank account, got so much cash
I got so much money in that bitch, it make me laugh
'Cause this shit could end right now, I'll still be happy
I know my mama proud of me, I know my daddy proud of me
I know that my bitch will not leave, I know my bitch will never
leave

'Cause if she leave then where she goin'?
'Cause I promise she'll be in the streets
'Cause if she leave then where she goin'?
'Cause I promise she'll be in the streets

Your bitch can't find no one like me
Your bitch can't fi-fi-find like me-e-e

I'm still goin' up-up-up-up, up-up-up, up-up-up-up, up-up
I'm still goin' up-up-up-up, up-up-up, up-up-up-up, up-up
I'm still goin' up-up-up-up, up-up-up, up-up-up-up, up-up
I'm still goin' up-up-up-up, up-up-up, up-up-up-up, up-up-up
