

WET DREAMS

Odetari

[Odetari]

I-I-I told her pick out any bag
It's not too much
Met her when she was a fan
We fell in love
(n-not in love, baby it's just lust)
(n-not in love, baby it's just lust)

[Odetari]

I-I-I can't stop, I'm infatuated
With the way you look
C-Close my eyes I'm still on Instagram
And stalkin' you
Hypnotized
In a trance, trance, trance
It's your eyes (in a trance, trance, trance)

[Odetari & Nimstarr]

I'm makin' dreams (dreams, dreams, dreams, dreams)
Dreams (dreams, dreams, dreams, dreams, dreams)
Dreams (dreams, dreams, dreams, dreams, dreams)
Makin' dreams (dreams, dreams, dreams, dreams, dreams)
Dreams (dreams, dreams, dreams, dreams, dreams)

[Odetari]

Pick out any bag
It's not too much
Met her when she was a fan
We fell in love
(n-not in love, baby it's just lust)
(n-not in love, baby it's just lust)

[Nimstarr]

I told her pick out any bag
She gon do it if I say so
Heard yo boyfriend mad
Cause I'm runnin' up them pesos
(Dream, dream, dream)

(Dream, dream, dream)
You not with us cause you lame, hoe
Whatchu see in me?
Let it burn like a degree

Have me beggin' on my knees
Hypnotized (in a trance, trance, trance)
