Odetari

'Tari, get over here  
You're too slow!

It's, it's, it's, it's lookin' like I'm right  
I-I-I, I hope that she takin' my side  
Oh

You're too slow  
Try to keep up with me now  
You're too slow  
Try to keep up with me now  
Ke-keep up, keep up, ke-ke-ke-keep up, keep up, ke-ke-  
keep up, keep up, ke-ke-ke-keep up, keep up, keep, keep-

You're too slow!  
There just ain't no one that can stop me  
Anyone can get they bitch taken  
Speed of light, I'm him!  
Before you even think you can get the chance, just remember who  
put you on first!

You're too slow  
Try to keep up with me now  
You're too slow  
Try to keep up with me now  
Ke-keep up, keep up, ke-ke-ke-keep up, keep up, ke-ke-  
keep up, keep up, ke-ke-ke-keep up, keep up, keep, keep-

I'm always wonderin' why I just can't, you have  
Butterflies in my stomach 'cause you're just so bad  
I, I, showed you wrong, I'ma shit on you

You're too slow-oh  
Try to keep up with me now  
You're too slow-oh

Ke-keep up, keep up, ke-ke-ke-keep up, keep up, ke-ke-  
keep up, keep up, ke-ke-ke-keep up, keep up, keep, keep-
