

Accommodating

Odie Leigh

To tell the smart lie that I stayed at the house of a woman who
wants something to care about
But to tell you the truth I only stayed there for dinner
And sometimes I lie to help stories go quicker
Maybe that's why I just say that we dated
It feels better than over-explaining
The ways that we'd have all those long conversations and why yo
u can't recall

You would be right to say I'm sounding bitter
But baby, I've been bitter through and through
Learned that the only thing worse than a woman who lies is a gi
rl who'll tell truths

'Cause I've been second third and seventh guessing everything t
hat you said to me I had
Thinking if I think hard enough about it then maybe I'll find o
ut what I missed
'Cause I've been second third and seventh guessing everything t
hat you said to me I had
