ODUMODUBLVCK

Woke up and carried my keys
Ready to enter the streets
I had a hell of a Night
No fit remember the gist
I heard a knock on the door
Na the police abeg na wetin I do
Which kind matter come be this eh
All of my neighbors are outside standing behind the police
All of dem been dey complain
Turn down the volume a bit
You People Party Too Hard You Party Too Much You No dey Relax
Get the hell outta my face before I fly come land you slap weyre

They no want make we dey ball
They no want make we dey score goal
They want dey keep us for off
They no want make we dey bubble
They no want make we dey ball
They no want make we dey score goal
They no want make we dey Ball make we dey ball

Oh my God
Finesse
Bless up
But the rest
Dem dey mess up
Na for nest I dey dress up
Semi last card
Check up

They no want make I record
They no want make I dey chop
They no want make I dey flaws
They no want make I dey ball
They no want make I dey double up
They no want make I improve

They want see me for the exact same place wey dem see me last year dey snooz
e odumodu
I carry my bible for hand
Peter ray dey for my side
Him tell me say make I pray for am so that the parole go favor him side
Favor and reeplay na padi blacky na padi from time
Crucifixo no dey tally with phonoies
Commot for road make I rhyme
Peter piper picked a peck of pickled peppers wetin concern me with that crim
e
General market
Fire olokpa
Fire with okpa
Commot him beret, pay no respect
They wanna bury us they wanna carry us reverse the car make We cut out like
gbomogbomo for the church
Finesse
Bless up
But the rest
Dem dey mess up na for nest

I dey dress Up
