

## Ever Lovin' Sam

Odyssey

Ever lovin' Sam  
Oh, what a man you are  
Some people say you are  
Too old for me

But what do they know about love, Sam?  
Love is like wine, gets better with time  
And love can be a walk in the sunshine  
As long as I'm walking with you

Ever lovin' Sam  
Don't ever go away  
Who cares what people say  
When I'm with you  
I only know when you hold me  
I hear a bell, wishing us well  
In a one room house with a garden, Sam  
He'll teach the children to spell "I love you"

Ever lovin', ever lovin' Sam  
I just wanna tell you how happy I am  
Cause lovin' you is a-natural for me  
Like old sweet songs, we're in harmony, sam  
We're in harmony

We're in harmony, Sam  
We're in harmony, Sam  
We're in harmony, Sam  
We're in harmony, Sam

But what do they know about love, Sam?  
Love is like wine, gets better with time  
And love can be a walk in the sunshine  
As long as I'm walking with you

Ever lovin', ever lovin' Sam  
I just wanna tell you how happy I am  
Cause lovin' you is a-natural for me  
Like old sweet songs, we're in harmony, sam  
We're in harmony

We're in harmony, Sam  
We're in harmony, Sam  
We're in harmony, Sam  
We're in harmony, Sam
