

## What A Difference A Day Makes

Odyssey

What a difference a day made.  
Twenty-four little hours  
Brought the sun and the flowers  
Where there used to be rain  
My yesterday was blue, dear  
Today I'm part of you, dear  
My lonely nights are through, dear  
Since you said you were mine  
What a difference a day makes  
There's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss, that thrilling kiss  
It's heaven when you find romance on your menu  
What a difference a day made and the difference is you
