

## Dustin Hoffman Feigns Ignorance of Missing Bathtub

of Montreal

One in a thousand black friendlies  
Pitching we all should meet  
In the freak-out place  
Where a birdhouse waits  
For a banger's make-up badge  
Up black songs  
Shiny's all I see  
The good you started to tug on

Silent colored goose sleeping on a fire  
And Telly snaps far and back into his bed  
It's easy to push down with my puny hand  
Shiny's all I see  
The good you started to tug on
