## Who Do You Love

of Verona

I don't know what you're thinking And you don't know me the way that I was before We seem to fall inside illusions You want the truth, then its not what u want anymore We need something to believe in Oh oh oh And I'm just looking for a reason So tell me... Who do you love Who do you love Who do you love now? Is it enough Is it enough For you to let go? Do you believe in your eyes? Believe in your eyes. So the mirage is getting stronger What you believe is the truth as you know, as you know It doesn't matter what I tell you Cause you'll still think what you want anyhow We need something to believe in Oh oh oh And I'm just looking for a reason So tell me... Who do you love Who do you love Who do you love now? Is it enough Is it enough For you to let go? Do you believe in your eyes? Believe in your eyes. Do you believe in your eyes Or did they say who to like? Do you believe in your ears Or did they say what to hear? We need something to believe in Oh oh oh And I'm just looking for a reason So tell me... Who do you love Who do you love Who do you love now? Is it enough Is it enough For you to let go? Do you believe in your eyes? Believe in your eyes.

Do you believe in your eyes Or did they say who to like? Do you Believe in your ears Or did they say what to hear?
