Ofenbach

Why you're gon' act like something that don't feel brand-new?  
I ain't got no time for games  
Why don't you just be you?

Don't have to show at every party. That's just bullshit  
Baby, don't lost it

Oh, my lady  
You be so fine  
You be my only desire  
You be my wonder one  
My only one of one

Instant emotion  
Hold on  
My only one of one

Instant emotion  
Hold on  
My only one of one

Why you're gon' make me lose my cool  
I never do  
I be Lagos boy  
You no fit  
Take me for a fool

Don't have to show at every party. That's just bullshit  
Baby, don't lost it

Oh, my lady  
You be so fine  
You be my only desire  
You be my wonder one  
My only one of one

Instant emotion  
Hold on  
My only one of one

Instant emotion  
Hold on  
My only one of one
