

This is getting dangerous  
Now I'd do anything for love  
You call and I'll come in a rush  
You're my everything to lose

'Cause you show me a brand new world  
That I, I can't describe with words  
I'm in for better or for worse  
There's nothing that I, nothing that I won't do

There's nothing I, nothing I won't do for you  
Nothing I won't do, nothing I won't do for you  
There's nothing I, nothing I won't do for you  
Nothing I won't do, nothing I won't do for you

The point of no return  
My past, light up and watch it burn  
I hope, this love won't be a curse  
There's nothing that I, nothing that I won't do

There's nothing I, nothing I won't do for you  
Nothing I won't do, nothing I won't do for you

There's nothing I, nothing I won't do for you  
There's nothing that I, nothing that I won't do  
There's nothing I, nothing I won't do for you  
Nothing I won't do, nothing I won't do for you

Nothing I won't do, nothing I won't do for you
