

# Body Talk

Ofenbach

Talk, gonna let our bodies talk

Hey, it's getting kinda late  
Got nothin' left to say  
So let me change the conversation  
Words only get in the way  
So take my breath away  
Let's not make it complicated

Oh-oh  
Come, baby, baby, pull me close

Gonna let our bodies talk  
Gonna let our bodies talk  
L-L-Let our bodies talk (Yes, yes)  
Don't say, we're gonna let our bodies talk  
Gonna let our bodies talk  
L-L-Let our bodies talk (Yes, yes)  
Don't say, we're gonna let our bodies

Ooh, the way you move your lips  
Shut up, give me a kiss  
The talk, the talk is overrated  
You don't need to make a wish  
I know it's on your list  
Just walk the walk, don't need to say it

Oh-oh (Oh)  
Come, baby, baby, pull me close (Oh)  
Oh-oh  
Come, baby, baby, what you waitin' for?

Gonna let our bodies talk (Ooh)  
Gonna let our bodies talk  
L-L-Let our bodies talk (Yes, yes)  
Don't say, we're gonna let our bodies talk  
Gonna let our bodies talk (Ooh)  
L-L-Let our bodies talk (Oh-oh, yes, yes)  
Don't say, we're gonna let our bodies

Come, baby, baby, pull me close  
Yeah, yeah  
Come, baby, what you waitin' for?

Gonna let our bodies talk  
Gonna let our bodies talk (Ooh)  
L-L-Let our bodies talk (Yes, yes)  
Don't say, we're gonna let our bodies talk  
Gonna let our bodies talk (Oh)  
L-L-Let our bodies talk (Oh, yes, yes)  
Don't say, we're gonna let our bodies

Oh-oh (Oh)  
Come, baby, baby, pull me close (Oh)  
Don't say, we're gonna let our bodies talk  
Gonna let our bodies talk (Yeah)  
L-L-Let our bodies talk (Ooh, yes, yes)

Don't say, we're gonna let our bodies
