

Can't Forget You

Ofenbach

Down, down, down like I never met ya
Round, round, round but I can't forget ya

Sinning like I'm single on a Sunday night
Trying to get you outta my head
I don't know her name, she didn't ask for mine
But I'm not here to talk
Another drink, I watch it go

Down, down, down like I never met ya
Round, round, round but I can't forget ya
Down, down, down like I never met ya
Round, round, round
Another drink, I watch it go
Down, down, down like I never met ya
Round, round, round but I can't forget ya
Down, down, down like I never met ya
Round, round, round but I can't forget ya

Oh-oh, oh-oh, oh-oh
Oh-oh, oh-oh, oh-oh
Oh-oh, oh-oh, oh-oh
Oh-oh, oh-oh, oh-oh

Wake up in the morning, it's already night
Think I'm hanging on by a thread
Don't know my own name but yours is on my mind
I can barely walk
Another drink, I watch it go

Down, down, down like I never met ya
Round, round, round but I can't forget ya
Down, down, down like I never met ya
Round, round, round
Another drink, I watch it go
Down, down, down like I never met ya
Round, round, round but I can't forget ya
Down, down, down like I never met ya
Round, round, round but I can't forget ya

Oh-oh, oh-oh, oh-oh
Oh-oh, oh-oh, oh-oh
Oh-oh, oh-oh, oh-oh
Oh-oh, oh-oh, oh-oh

Down, down, down like I never met ya
Round, round, round but I can't forget ya
Down, down, down like I never met ya
Round, round, round
Another drink, I watch it go
