

Hurricane

Ofenbach

I want you to hold on, I want you to stay
A million words I don't know how to say
I'm looking for shelter in my house of cards
Oh, I'm letting down my guard

I'm counting one, two, three, four, five
Hope we're gonna be alright
Don't know where our feelings hide
Someone please just shed a light

You're spinning through my mind like a hurricane
Calling out your name in the heavy rain
Blowing through my mind like a hurricane
I'm losing my faith in the heavy rain

Blowing through my mind like a hurricane

Won't beg you to call back 'cause there's no rewind
I'm asking myself, will our stars realign?
You said I should move on and keep out the ghosts
Get out of this danger zone

I'm counting one, two, three, four, five
Hope we're gonna be alright
Don't know where our feelings hide
Someone please just shed a light

You're spinning through my mind like a hurricane
Calling out your name in the heavy rain
Blowing through my mind like a hurricane
I'm losing my faith in the heavy rain

You're blowing through my mind like a hurricane

Blowing through my mind like a hurricane
Blowing through my mind like a hurricane
Blowing through my mind like a hurricane
