

I Got Burned

Ofenbach

You're in the rain now
You're trying to strike the match
I'm trying to drown now
Oh yes, I'm gonna catch you
So pour it over
You give them what you got
Wow, I'm still dead, baby
And now I'm running hot, yeah

Yeah, cause I feel like I'm walking on fire
When we're talking it's smoke coming out of my head
And I'm braking down like a strong man burning over you

Yeah, I got burned
I got burned

It's in your eyes now
You gonna light the fuse
You're always thinking
You just can't lose, no

Yeah, cause I feel like I'm walking on fire
When we talk it's smoke coming out of my head
And I'm braking down like a strong man burning over you!

Yeah, I got burned
I got burned
Yeah, I got burned
I got burned

Yeah, I got burned
Is going up in flames
Yeah, I got burned
