Wasted Love

Ofenbach

Lo-lo-lo, love
Lo-lo-lo, love
Lo-lo-lo, love

So outspoken, you don't even notice
Every word you say gets right under my skin
Out of focus but your heart is open
Always trying when I feel like giving in

Keep breaking hearts to pieces I
Know I'm the only reason I'm
Afraid you're getting over us

Wasted love, don't give up
While you're tryna save us I'm out trying not to get
Wasted love, wake me up
Oh, tell me I'm dreaming, and say this ain't another wasted love

Lo-lo-lo, love
Lo-lo-lo, love
Lo-lo-lo, love
Wasted love
Lo-lo-lo, love
Lo-lo-lo, love
Lo-lo-lo, love

My emotions overflow an ocean
Takes me to the point I can't control myself
If I knew how to find the words I'd tell you
I admit that sometimes I could use your help

Keep breaking hearts to pieces I
Know I'm the only reason I'm
Afraid you're getting over us

Wasted love, don't give up
While you're tryna save us I'm out trying not to get
Wasted love, wake me up
Oh, tell me I'm dreaming, and say this ain't another wasted love

Lo-lo-lo, love
Lo-lo-lo, love
Lo-lo-lo, love
Wasted love
Lo-lo-lo, love
Lo-lo-lo, love
Lo-lo-lo, love
Wasted love

Wasted love
