

What I Want

Ofenbach

What I want
What I want
What I want
What I want

What I want is loving you
'Cause I just want to be with you
All these fairytales are known
A lack of story, kiss and go

I'll be walking every day
Up to meet you on my way
When you're coming, let me know
What I want is to be with you

Nothing's gonna set me from you, my baby
Everything I do is for you, my baby
What I want
What I want

Is there something we can do
Is there something without you
I don't wanna close my eyes
I don't wanna trust your lies

I'll be walking every day
Up to meet you on my way
When you're coming, let me know
What I want is to be with you

Nothing's gonna set me from you, my baby
Everything I do is for you, my baby
What I want
What I want
