

Air

Off Bloom

Air is, air is
Caressing, caressing (my, my) neck
And I can fee-feel it
It's hold me do-do-do-do-do-down-wn

Air, air, air
The air is caressing my neck
And I can feel that I'm starting this all over again
But I will keep on going, 'cause it's holding me on
Holding me on, holding me on, holding me on

I see air
Oh, I see air
(Air, air, air, air)
I see ai-ai-air
Oh, I see air
(Air, air, air)

Air, air, air iscaressing my neck
And I can feel that I'm starting this all over again
But I will keep on going, 'cause it's holding me on
Holding me on, holding me on, holding me on

I see air
(Air)
I see air
Oh, I see air

I see air
Oh, I see air
(Air, air, air)
I see air
Oh, I see air
(Air, air, air, air, air, air)
I-I-I-I see air
Oh, I see air
(Air, air, air)
