

# Am I Insane?

Off Bloom

Am I insane?  
No, you do alright, you're doing better  
Feel so ashamed  
Take a chill, pretend it's '97  
But my Instagram?  
Stop it, don't you know that shit's a waste of time? Yeah

Am I insane?  
No, you do alright, you're doing better  
Feel so ashamed  
Take a chill, pretend it's '97  
But my Instagram?  
Stop it, don't you know that shit's a waste of time? Yeah

I don't know why  
Nothing ever stays the same  
Me versus time  
I really don't know who to blame

Because I'm stressed out  
My body is feeling numb  
I think of pills daily  
'Cause beers just make me dumb

I feel stupefied  
And contaminizied  
Wanna lose control  
Wanna let it go

Am I insane?  
No, you do alright, you're doing better  
Feel so ashamed  
Take a chill, pretend it's '97  
But my Instagram?  
Stop it, don't you know that shit's a waste of time? Yeah

Am I insane?  
No, you do alright, you're doing better  
Feel so ashamed  
Take a chill, pretend it's '97  
But my Instagram?  
Stop it, don't you know that shit's a waste of time? Yeah

Please tell me why

Please tell me why

Am I insane?  
No, you do alright, you're doing better  
Feel so ashamed  
Take a chill, pretend it's '97  
But my Instagram?  
Stop it, don't you know that shit's a waste of time? Yeah

Am I insane?  
No, you do alright, you're doing better  
Am I to blame?

No, just too committed to your twitter  
But my Instagram?  
Stop it, don't you know that shit's a waste of time? Yeah  
  
No I don't know why
