

# Boys Dont Make Me Cry

Off Bloom

You can paralyze me  
Push me, driving me crazy  
Could break up, but no one ever loved me so bad  
Don't give up on love

I'm sorry I broke your guitar  
That time I thought you were cheating  
But I hate it when you don't pick up my calls  
After shouting at me as you were leaving  
But I'm losing sight of wrong and right  
Come on, baby, tell me you'll be home tonight  
I'm sorry, oh baby, I'm sorry

You know well that boys don't make me cry  
But you are a man, I guess that's why

You can paralyze me  
Push me, driving me crazy  
Could break up, but no one ever loved me so bad  
No one ever loved me  
Like you do, babe  
Feel it taking these new shapes  
Can't give up, 'cause no one ever loved me so bad  
Don't give up on love

I remember the first time we went out  
And we ended up drunk in Paris  
And I thought that you were out of your mind  
And you laughed when I told you my stories  
Don't know if we were wrong or right  
But you know I've never felt so damn alive  
I remember, oh baby, I remember

You know well that boys don't make me cry  
But you are a man, I guess that's why

You can paralyze me  
Push me, driving me crazy  
Could break up, but no one ever loved me so bad  
No one ever loved me  
Like you do, babe  
Feel it taking these new shapes  
Can't give up, 'cause no one ever loved me so bad  
Don't give up on love

You can paralyze me  
Push me, driving me crazy  
Could break up, but no one ever loved me so bad (So bad)  
No one ever loved me  
Like you do, babe  
Feel it taking these new shapes  
Can't give up, 'cause no one ever loved me so bad  
Don't give up on love
