

# Love To Hate It

Off Bloom

Build up my patience, you're doing it right  
You've got me all jaded, I'm holding on tight  
This game, I don't really get it, oh  
But you know that I'm just about to fall  
Got me on edge, yeah, you're doing alright

But you can do whatever  
Talk that talk and raise the heat  
The more you push me over  
I know that you're the one for me

Don't wanna let you know  
I really love to hate it  
I'll never let it show  
But you make me go crazy, crazy  
I really love to hate it (hate it)

You've got me chasing, I've been up all night  
You left me waiting alone in the lights, mhm  
For sure, this just ain't right at all  
It shows that you're just an animal  
But I'll go with you at the end of the night

But you can do whatever  
Talk that talk and raise the heat  
The more you push me over  
I know that you're the one for me

Don't wanna let you know  
I really love to hate it  
I'll never let it show  
But you make me go crazy, crazy  
I really love to hate it (hate it)

Of course there's a part of me  
That don't wanna fall for this  
But I really love to hate it, hate it  
Of course there's a part of me  
That don't wanna fall for this  
But I really love to hate it, hate it

Don't wanna let you know  
I really love to hate it  
I'll never let it show  
But you make me go crazy, crazy

Don't wanna let you know, know, know  
I really love to hate it  
I'll never let it show  
But you make me go crazy, crazy  
(Cra, cra, crazy)  
(Cra, cra, crazy)  
I really love to hate it (hate it)  
(Cra, cra, crazy)
