

# Thorns

Off Bloom

Thorns, they open up my skin and make me torn  
The poison from your loving makes me (please)  
I can't believe you're doing this to me when you're my love  
Thorns, they open up my skin and make me torn  
The poison from your loving makes me (please)  
I can't believe

I never wondered what he asked but you  
I never wondered what he asked but you  
I never...

I love you, you  
I love you, you  
I love you, you  
I never wondered what he asked but you  
I love you, you  
I love you, you  
I love you, you  
I never wondered what he asked but you

Thorns, crawling on your chest and be in your lungs  
The softer that I touch make you want (please)  
I only play along to make you see that I'm your love  
Thorns, crawling on your chest and be in your lungs  
The softer that I touch make you want (please)  
I can't believe

I never wondered what he asked but you  
I never wondered what he asked but you  
I never...

I love you, you  
I love you, you  
I love you, you  
I never wondered what he asked but you  
I love you, you  
I love you, you  
I love you, you  
I never wondered what he asked but you

I love you, you  
I love you, you  
I love you, you  
I love you

I love you, you  
I love you, you  
I love you, you  
I never wondered what he asked but you  
I love you, you  
I love you, you  
I love you, you  
I never wondered what he asked but you
