

## Why Do We

## Off With Their Heads

I hate the way  
That you make me feel  
That's the look on your face  
That's how quiet I've been

Why do we try? Oh, why?  
Why do we try?

You sleep through the night  
I sleep through the day  
See how we compromise  
Everything's gonna be okay

Why do we try? Oh, why?  
Why do we try? Oh  
Why do we try? Oh  
Why do we try? Oh

If the weight of this all  
Too much by now  
Rest of my life  
Might be tonight  
I know I've changed  
Watched myself slip away  
I compromised  
Everything's gonna be alright

Why do we try? Oh, why?  
Why do we try? Oh  
Why do we try? Oh  
Why do we try? Oh

If the weight of this all  
Too much by now  
Rest of my life  
Might be tonight  
I know I've changed  
Watched myself slip away  
I compromised  
Everything's gonna be alright  
I compromised  
I compromised  
Everything is gonna be alright
