

Naruto Drillings

Offica

They call me Jinchuriki because 'cos I got Yoruba demon in me
Mmmh, It's Offica doom

Naruto drillings, what do you mean?
Back out my Rasengan then I lean
Came my samurai sword and my team
Skinny bop, I'll do my ting
Man's tryna be hokage, tryna be up there with Tsunade
Tell that yute we're onto him, coming for him like the Akatsuki

Opp boys wanna shoot their shot
I just wanna back out my gun then shoot
And you know if I start gun leaning
I'm not gonna stop til an opp boy bleeding
Running from me call it treason
How can my man run for no reason?
It's like he probably saw me gun leaning
Offica, I'm in charge do a uh
Offica, I'm that general slash criminal slash villain
See me in the streets I'm probably sinning
Get them Ks and we're calling it killings
And samurai swords and dippers
I don't mind dipping that-my figures
He's on me, I shaft these niggas
Doing up bad and doing up sprinter
(Why you running?)
Tryna get this donny and dead up his clan like the Uchiha
And man ain't a fool like Tobi, underneath I'm Madara Uchiha
Don't let this ting hit you cause you might need more than a plaster
Just tryna master this jutsu, so I can make all my opps run faster
I just splashed that yute, now he lives in the poo
Came running like Sadio, so of course I'm looking for my Mane
And T Muni got got, so you know we gotta keep that pressure
No look finish like Bobby, excellent finish, man do it like Salah

Naruto drillings, what do you mean?
Back out my Rasengan then I lean
Came my samurai sword and my team
Skinny bop, I'll do my ting
Man's tryna be hokage, tryna be up there with Tsunade
Tell that yute we're onto him, coming for him like the Akatsuki

Ay stupid nigga, I really wanna pull that trigger
Like you've never held a gun, so go play with your fidget spinner
Violate me, imma mock that nigga
[?] unlike you, I won't hesitate to pull that trigger
Bang to the face, durag gone, my man's dead
His girl's an attention seeker, my man's on the ground you neek
You done a Michael Phelps, well now he's a fucking swimmer
And his girl at the station shedding tears, she doing up Simba
I take out your eyes like Danzo, now you can't see me, John Cena
I'm never on my ones, my goons always come like Shadow Clone Jutsu
Call me Sasuke Uchiha, my Chidori might hit you
My Chidori might hit you

Naruto drillings, what do you mean?
Back out my Rasengan then I lean

Came my samurai sword and my team
Skinny bop, I'll do my ting
Man's tryna be hokage, tryna be up there with Tsunade
Tell that yute we're onto him, coming for him like the Akatsuki
