

Snakes & Scorpions

Offica

(All this talk)
Shoutout the 92's B
Oi com'on B
It's Offica - Freeze

So many snakes and scorpions
But I can never get tired of the hate
Yate she catting from me
Told that bitch get the fuck outta my face
I'm tryna make victims famous
I wanna see them on TV
Forget about Sky and BBC
Irish drill so its RTÉ (bullitt bullitt)

Are ya mad are ya mental?
Who needs a hook to kill instrumental?
Offica I did it I done it
I heard this beat so I had to jump on it
Ma said don't forget where you came from
Lagos London to Dublin
And Drogheda the ends where I'm from
Man I got love for the D Town block the D town strip
Now I carry the town on my shoulders
Of course with help from my olders
Thats iconic and ironic
Opps see me and they do up Sonic
Thats logic
Opps know when they hear that GRRR they know it's me (GRRR)
See them man know it's my number one phonic
When I come to your ends affi cover my face call me lagbaja
(Where they at?)
I'm in your block all day with my goons
Oya bu si ta ki bawaja
See dem man come like pussyhole celebs
They couldn't last a day in the jungle
They came in one by one and I kicked them out call it royal rumble
Just like Humpty that sat on the wall
Dem man see me and they tumble
Same guys that were on to me
Dem man see me and they fumbled
See them are aggie cause they know that I'm making that airgead
Like if you got a problem you can buck me

Buy a chinging
And your Bruce can get one for free
Like how many times have I told dem man
Tell the truth and ill set you free
Holy moly (holy moly)
My YG came withw a pokey
And left man roly poly
And I dont know how he survived
But now he's in church giving testimony (huh)
Sweet one wanna faji now she calling me Alhaji
Baby come here wa jaye enter the party
419 to the world and back
Omo naija ne mi
What you know about stacks?

Tell me what you know about making P?
Balenciagas, Alexanders
On my fucking feet
Like Moeyski jump start that thing
That square was sweet
I need me a sweet one
Oh so brown and peng
Oh my God she a ten outta ten
See your girl tryna suck my ucker tell her move man
She's R.O.ten
Like KMT
Like what do you mean?
I... Man I give it to them
Run down fields like im Kylian Mbappe
Excellent stop Ngolo Kante
Opps want beef? no issue
When I cut, cut straight through the tissue
I came with Prof and Tobz like Hulk and captain America
Doing up Avengers

So many snakes and scorpions
But I can never get tired of the hate
Yate she catting from me
Told that bitch get the fuck outta my face
I'm tryna make victims famous
I wanna see them on TV
Forget about Sky and BBC
Irish drill so its RTÉ (its Offica B)
