

All Of My Hoes

Offset

For sure
They know
They know

All of my hoes still my hoes, that's for sure
All of my hoes still my hoes, and they know
Took her to rodeo and we shut down the store
Name another nigga mac a bitch like the G.O.A.T.
All of my hoes still my hoes, that's for sure
All of my hoes still my hoes, and they know
Swimming in a ocean full of hoes, like a boat
Award show killer with a wall full of trophies

Gotta be bad, I'm allergic to that other shit
South of France, I was splurging on another bitch
I got some shit around the globe that I cuddle with
I love a bitch that love a ho that love another bitch
I got shit that's pulling scam, bad shit that's on the 'Gram
Shawty said she got a man, but she love a nigga
Give a fuck 'bout what you doing with them other niggas
Give a fuck 'bout what you did with them other niggas

All my hoes still my hoes
Turn up to my muse, I make her switch up her wardrobe
Shawty cold, shawty cold
Ain't seen her in a minute but she still know she my ho

All of my hoes still my hoes, that's for sure
All of my hoes still my hoes, and they know
Took her to rodeo and we shut down the store
Name another nigga mac a bitch like the G.O.A.T.
All of my hoes still my hoes, that's for sure
All of my hoes still my hoes, and they know
Swimming in a ocean full of hoes, like a boat
Award show killer with a wall full of trophies

I ain't hiding shit, we walking out in public
Tryna find the bitch I had when I was bubbling
We been rocking for a while, she call my government
I got bitches, you got niggas, they can't fuck with him
On a jet out to Belize, I got bitches overseas
We go shopping double "C", yeah, yeah
Come take this ride, buckle your seatbelt
Stay on my side when you leave, yeah

That's my ho and she know it
I told her, "Come back, call my phone when you're bored"
Fuck her 'fore I leave, give her keys to the Royce
She my steez, she my queen, she my whore

All of my hoes still my hoes, that's for sure
All of my hoes still my hoes, and they know
Took her to rodeo and we shut down the store
Name another nigga mac a bitch like the G.O.A.T.
All of my hoes still my hoes, that's for sure
All of my hoes still my hoes, and they know
Swimming in a ocean full of hoes, like a boat
