

## Big 14

Offset

Honorable C.N.O.T.E

Huh

Big 14 bitch yeah

Big 14 bitch yeah

Big 14 bitch yeah

Big 14 bitch yeah

Big 14 bitch yeah

Big 14 bitch yeah

Big 14 bitch yeah

Don't come outside, we send them killers at your door (Yeah)

Talk down on the gang, lil bitch we slice your throat (Yeah)

Brand new wraith it got the club look like a ghost (Yeah)

On a yacht, let's have a toast, cause I'm the goat (Yeah)

I just spent like thirty thousand on some clothes (Yeah)

And just made a hundred thousand for a show (Yeah)

With them slimes you know them niggas wipe your nose (Yeah)

Leave his body red like Kool-Aid, man like oh

Stacking and flipping that money not selling my soul

Walk in the room told that bitch not to slip on my drip cause its all on the floor

Trap out this shit on the north out the bando they knock at the door like Je hovah

I keep a 100-round drum in the back of my trunk and it bite like a cobra

Feeling like Tony Montana the world is mine, we running the globe

Get the fuck up, I do not know

30-round Glock for the internet trolls

Fucking that thot, Imma pay for the bros

Count off an M in one night in my robe

Put that shit on it and put me in Vogue

Straight out the north, big 34

Think this shit soft and we shoot out your soul

Don't come outside, we send them killers at your door (Yeah)

Talk down on the gang, lil bitch we slice your throat (Yeah)

Brand new wraith it got the club look like a ghost (Yeah)

Bitch speak up, richer than all my teachers

That's the same young nigga that used to skip school

Just read up, 15 M's touched down in my account, I'm in a new mood

Let's speed up, Adderall 30 that's a little orange circle, look it up on YouTube

Grim reaper, I can get a nigga outta here

I just look like this, I just play cool

Shit water, diamonds on H2

Box full of money like blow

Cop a pain, pour up 4

Cups and drinks, corner store

You spot my opp, drop the low

Gotta bake me a cake for this dough

55 deep at my show  
Blew the back end, day before

Don't come outside, we send them killers at your door (Yeah)

Kill a nigga, drill a nigga, spill a nigga  
Caps can get pealed little nigga  
I was in the field my nigga  
AK with that scope, with that beam, where its real nigga  
We want all the smoke, all the war, we don't feel you niggas  
We gone drill him down, with a hundred rounds  
She just love my fucking sound, she just like to fuck around  
She don't wanna date  
I just wanna fuck awhile  
Yeah, I wanna fuck her from the back and go to fucking town
