

# Enemies

Offset

Honorable C.N.O.T.E.

Cash out on my cars, not a lease  
Diamond with no flaws in the piece  
They reaching 'cause they all want a piece  
Of me  
I done beat the odds in the street  
I just play the cards I was dealt  
Twenty Adderalls and a G  
Lord, protect me from my friends, I can handle my enemies, yeah

2500 for the fragrance  
I ain't really smelling these niggas, I know they hating  
Put it all on the table this time, it ain't no favors  
I know these niggas pussy 'cause pussy will make 'em trade on you  
You gotta watch 'em  
I love hard, but I'm toxic  
Treat my cars like my hoes, I got options  
These niggas crashed out, they lost it, yeah  
The V12, I pop out topless, yeah  
Got M&M's, the Rolex chocolate, yeah  
Run outta Percs, I'm poppin' Roxies, yeah  
She top a nigga the way that I like  
She got the Patek and flooded with ice  
Get what you want, like fuck the price  
Back to the crib and fucked her twice  
It's all business, no bullshit  
Half a mill in my city, man, you hood rich  
I've been going lotto on 'em, I gotta make these niggas feel where I'm comin  
g from  
I'm pulling up full clip  
I pray the bright lights don't make me crazy  
If it ain't my time, then I'ma take it  
Yeah

I done went Skelly AP overnight  
I'm pouring Wocky, Trissy over ice  
I'm going Perky, Addy overnight  
All these millions got bitches talkin' to me nice  
I'm so rich, I'm on first name basis at the bank  
I be geeking on Perky, Adderall, and drank  
Got a freaky little bitch, she like the way I paint faces  
Laughing at these niggas bank statements  
Chasin', that high got me back in the Matrix  
Fresh as fuck, I cannot do nothin' basic  
Got a bunch of old money, I stay in the latest  
Casino, got this bitch bumpin' like crack in the '80s  
Let 'em feel like they beat me, I'm laughing, they hating  
All the way to the bank, put that shit in they face  
This a Maybach, little nigga, this not a Mercedes  
Ask yo' ho, I'm the greatest

Cash out on my cars, not a lease  
Diamond with no flaws in the piece  
They reaching 'cause they all want a piece  
Of me  
I done beat the odds in the street

I just play the cards I was dealt  
Twenty Adderalls and a G  
Lord, protect me from my friends, I can handle my enemies, yeah  
  
Lord, protect me from my friends, I can handle my enemies, yeah  
Lord, protect me from my friends, my friends, my friends, yeah  
Lord, protect me from my friends, my friends, my friends, yeah  
Lord, protect me from my friends, I can handle my enemies, yeah
