HEALTHY

Offset

Praying for a sign, Lord, can you help me?
Keeping all of this to myself, oh, no, no
Keeping all of this to myself ain't healthy
Thought I'd feel way better once I'm wealthy
Money don't buy happiness, but I've been happy ever since I cam
e up a couple M's
Pay a couple niggas' bail, met the cartel, boost the clientele
Been around the world, met a lot of girls, bought 'em all Chane
l
I done gave a lot of hope, certified the most, sold a lot of do
pe
Bought it by the boat, poured a lot of purp, popped a lot of Pe
rcs
Used to feel cursed, I done seen the worst, I know how it works
Hit him where it hurt, get a nigga murked, put him on the merch
