

Love You Down

Offset

It never really mattered too much to me
That you were just too damned old for me

Rock out, yeah, you know I fuck with you
You that one for me, so I'ma fuck with you
Rock out, yeah, I don't even know what to do
I don't even trust nobody as much as I trust in you
Rock out, yeah, you know I fuck with you
You that one for me, so I'ma fuck with you
Rock out, yeah, I don't even know what to do
I don't even trust nobody as much as I trust in you

Hop out the car
You look like a star
You strut when you walk, you thick
Walk in the park, we go to Bulgari, then we go shopping at Rick
Keep this shit silent, you ain't around and all in the mix
I got your back, I'm holding you down 'cause you is my bitch
Keep that shit loyal to me, I keep it ultra P
Don't take advice from friends 'cause when you get gone, she coming with me
You want some ice, bands, Tiffany pearls sponsored by me
She's not a nice girl, she wanna see Glocks and smoke all the weed
We hang around all the stars, you cool as a fan, you represent me
No limit on all the cards, she throwing it back, I'm blowing the weed
I'm spending that shit like it's growing on trees
She know she my bitch, she got caught on my steez
Made it official, don't get on one knee
Forever locked in, you not in our league

Rock out, yeah, you know I fuck with you
You that one for me, so I'ma fuck with you
Rock out, yeah, I don't even know what to do
I don't even trust nobody as much as I trust in you
Rock out, yeah, you know I fuck with you
You that one for me, so I'ma fuck with you
Rock out, yeah, I don't even know what to do
I don't even trust nobody as much as I trust in you

It never really mattered too much to me
That you were just too damned old for me

You made it your business to stand on these business with me whether I'm right or I'm wrong
From two different cities, I'm coming to visit, no matter how long I'll be gone
I'm really that nigga, you really that bitch
It don't matter what bitches be on
We be FaceTiming when we be gone
Put that pretty little pussy on the phone

Rock out, yeah, you know I fuck with you
You that one for me, so I'ma fuck with you
Rock out, yeah, I don't even know what to do
I don't even trust nobody as much as I trust in you
