F

So here we go

Es

Having the same old fight again

F

There she goes

Es

Same old game that never ends If I could say The right words

В

I know I could make you stay

If I could say

The right words

Things would work out all right

Es

And if you go

В

I won't believe

F

That it's forever

And you can go
But I'll never leave
Cause it's not over

Replay last night
Talking it out don't make it right
I know she's tried, but my whole world
Is her and all we've got now

And if you go I won't believe That it's forever

I won't let go

F

Even if she say that it's over

Es

I know it'll be

В

Different this time

As B

If you'd just stay

Es B F

And when we wrote this story
How did it end?
It was you and me for all our lives
Come on, don't say it
We'll try again
And if I'd just hold you
We could last

But she stands softly Tears down her face Hitting me, oh god This is the end
I'd wait here for you
But there's nothing more now I can do
How did you know
How did you know
How did you know

Finally
