

Make It All Right

The Offspring

All I want to do is to fly away with you
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba

No matter what I say
You're always there to give a smile
"Just suck it up," you'll say
Say it only hurts for a while

Show me the way (Hey)
Never obey (Hey)
Give me black clouds on a summer day
No matter what, it's fine
We're like one step over the line

Say it, Zoe, away we go
Turn around, you're gonna make it so it's all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
And you'll make it all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
All I want to do is to fly away with you

We're gonna fly away
Making fun of everyone
We'll wax our wings and pray
But don't get too close to the sun

Show me the way (Hey)
Never obey (Hey)
Give me black clouds on a summer day
No matter what, it's fine
You're like one step over the line

Say it, Zoe, away we go
Turn around, you're gonna make it so it's all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
And you'll make it all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
And you'll make it all right

And you'll make it all right
And it's gonna be fine
We're like partners in crime
And you'll make it all right
And it's gonna be fine

Show me the way
Never obey
Give me black clouds on a summer day
You know I don't mind you
SuperNova too
We're like partners in crime

Say it, Zoe, away we go
Turn around, you're gonna make it so
It's all right
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
And you'll make it all right

(No matter what I say)
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
All I want to do is to fly away with you
And it's gonna be fine

(No matter what I say)
I don't mind you, maybe I'm confused
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
All I want to do is to fly away with you

And you'll make it all right
(No matter what I say)
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
I don't mind you
SuperNova too
All I want to do is to fly away with you

And it's gonna be fine (No matter what I say)
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
I don't mind you, maybe I'm confused
Turn around, you're gonna make it so it's all right

(No matter what I say)
I don't mind you, maybe I'm confused
Ba-ba-da, ba-ba-da
Ba-da, ba-ba-da
Ba-da-ba-ba-ba
Turn around you're gonna make it so
And you make it all right
