

Sharknado

The Offspring

Sharknado, Sharknado
Sharknado
Sharknado, Sharknado
Sharknado

Sharknado the ocean's monster
Get out while you can
Sharknado the ocean's monster
It's nature's revenge upon man

'Cause it's bigger than big (big!)
Taller than tall (tall!)
Quicker than quick (quick!)
Eating us all (all!)
April and Finn just might save us all

Sharknado, Sharknado
Sharknado
Sharknado, Sharknado
Sharknado

Sharknado kills a whole lot
Get out while you can
Sharknado, what's worse? I know not
It's nature's revenge upon man

'Cause it's bigger than big (big!)
Taller than tall (tall!)
Quicker than quick (quick!)
Eating us all (all!)
April and Finn just might save us all
