

Amore

Ofra Haza

Goo lai be alek ya uma
Goo lai be alek ya ward
Noo goom elei alek abu ya
Ye da woo alek el ard
So many dreams
And more I gave you
'Cause I knew that you are the one
So many dreams
And more I gave you
I believed in you - my only one
Amore, all that I need is you
Amore, all that I need is you
Aaah...
Aaah...
So many times for you I waited
Now I want to force
The dreams to stay
So many hopes
And more were realised
I can't wait to make
The dream come true
Amore, (aaah)
all that I need is you
Amore, (aaah)
all that I need is you
Amore, all that I need is you
Aaah...
Aaah...
Aaah...(aaah)
Aaah...(aaah)
