FIGHTER

I've been hearing nasty rumors every single place I go  
And you've been seen with her in public did you think I wouldn't know?

This time you have bitten off more than you can chew  
Watch out for me I'm gonna get you

People tell me she's good looking I don't care if she's a star  
Someone's in my territory this affair has gone too far  
Never underestimate what this girl can do  
Watch out for me I'm gonna get you

Fighter

Don't mess around with a fighter  
And as the corner gets tighter  
I'm gonna fight for your love

Fighter

I'll get you back, I'm a fighter  
I'll never lose you despite her  
I'm gonna fight for your love

She is in for lots of trouble I won't take this lying down  
You won't remember what she looks like when I win the final round

She is just a one night stand but I'm in love with you  
So stick around cause I'm coming through

Fighter

Don't mess around with a fighter  
And as the corner gets tighter  
I'm gonna fight for your love

Fighter

I'll get you back, I'm a fighter  
I'll never lose you despite her  
I'm gonna fight for your love

Watch out for me I'm gonna get you

Fighter

I'll get you back, I'm a fighter  
I'll never lose you despite her  
I'm gonna fight for your love
