

## Trains of No Return

Ofra Haza

Yeah, yeah yeah, we need the rain  
Yeah, yeah yeah, to wash the trains  
Endless nights  
Tortured days  
Trains of no return  
Law-El ani agraw aneni-To God I call, please answer me  
Avka bachawl lailaw aneni-I cry every night, answer me  
Ten tal umawtawr aneni-Give us dew and rain, answer me  
Oh aneni-Oh, answer me  
Oh, don't let them grow again  
Oh, no not again  
Don't let them roll again  
The trains of no return  
Yeah, yeah yeah, we need the rain  
Yeah, yeah yeah, to wash the trains  
Endless nights  
Tortured days  
Trains of no return  
Law-El ani agraw aneni-To God I call, answer me  
Aneni, aneni-Answer me, answer me  
Sham za'aku kolot anenu-There voices cried out, answer us  
Ba'aru orot anenu-Lights burned, answer us  
Netzach Yisrael anenu-Eternal One of Israel, answer us  
Hu lo y'shaker-He will not fail us  
Kawl ha'or kawl hachoshech-All the light, all the darkness  
Sheyoter mikawl ra'u eich-Which more than anything, saw how  
Din ha'Elohim molech-The law of God rules  
Hem gam mevakshim-They also plead  
Yeah, yeah yeah, we need the rain  
Yeah, yeah yeah, to wash the trains  
Endless nights  
Tortured days  
Trains of no return  
Don't let them grow again  
Don't let them burn again  
Don't let them roll again  
The trains of no return  
We need the rain  
Don't let them grow again  
Don't let them burn again  
Don't let them roll again
