

## 2 Bars

OG Maco

2 bars mixing with the sprite, I'm like yeah yeah  
Jolly Rancher mixing with the lean, I'm like mm hmm  
Guaranteed to give her good pipe, she like yeah yeah  
Young nigga tryna live life, I'm like mm hmm

2 bars dropping in the sprite like an Alka-Seltzer  
Hotter than a nigga in a sauna sweatin'  
God damn, you ain't know no better  
Jolly Ranchers at the bottom so it tastes better  
Bad bitch, but I got a [?]  
Maybe that's your main bitch, I ain't really catch it  
Throw it and pass it  
Send her to my nigga, put her back to ash  
Xan in the sprite, got me feeling crazy  
Living lazy, but I been working crazy  
Got the babies, life is fucking crazy  
What they doing on the fucking [?]

I'm off a Xan, doing the Carlton dance  
Look in my cup, this ain't no contraband  
I need a lil help with what I'm saying  
But that don't mean I need an echelon  
Just pass me the double cup, and go pour a nigga up  
I'm on another Xan, and where I'm sleeping where I stand  
I'm balled up, I'm slowed up  
The Xan got a nigga really fucked up  
She fucked up when she let me fuck her  
Cause I'm a savage, she know I don't give a fuck
