

# Cru

OG Maco

Shout out to my crew, let's start a revolution  
Screaming fuck 12, fuck the institutions  
Niggas didn't know it, now they see him moving  
Now your bitch know it, now you see her choosing  
Imma be with my gang, we just somewhere ruling  
I'm just with my crew, we just somewhere ruling  
And we so finesse, you know we keep the bitches choosing

Niggas see me and I'm groovy, I be looking like a motherfucking mogul  
if you see me  
Couple racks sitting in these jeans uh, mhm, yeah yeah  
Thought I did the shit by myself, but it was OGG  
Sitting in the cabin, smoking on the cabbage  
And I know these niggas smoking bad bitch  
And I got a bad bitch, you had her, I have it  
And you say you smashed her, you lying, I smashed it  
Tragic, man it's like a tragedy  
I'm sitting on the counter, sitting on the throne and I'm looking like your majesty  
Sitting with my niggas, they some rulers  
And we got them rulers, don't make my niggas do ya

Shout out to my crew, we bout a revolution  
Screaming fuck 12, fuck the institutions  
Niggas didn't know it, now they see him moving  
Grah grah if he started moving  
And I fucked your bitch cause I seen her choosing

Fuck the rules, bitch we all in  
Bout to get the money, split it with my friends  
We got funds bitch, what you want?  
I'm having fun bitch, what you want?  
We got the guns bitch, what you want?  
We ain't talking we don't fucking tussle  
And we gonna get it off the muscle  
Shout out to my crew, we start a revolution  
And the money counter spinning, it's just on a revolution  
I don't see these niggas, no, I am blind, Stevie Wonder  
And I remember when we was passing [?]  
Whoo! Damn!

Shout out to my crew, let's start a revolution  
Screaming fuck 12, fuck the institutions  
Niggas didn't know it, now they see him moving  
Bitches didn't know, now your bitches choosing  
OGG, got my gang with me  
Fuck this shit, I fuck the famous bitches

Shout out to my crew [x2]
