

Do What It Do

OG Maco

Bounce that ass to the beat

All you gotta do is move your hips now
Baby, bounce them cheeks like you laughing
If the music too low, turn it up loud
Can you do it on my pole like I am Magic?
You better move it 'til you sweat, then faster

Bounce that ass to the beat
Show me you a freak, make it do what it do

Show me you a freak, make it do what it do
Bounce that ass to the beat
Show me you a freak, make it do what it do
Girl, bounce that ass to the beat
Show me you a freak, make it do what it do

Bounce with it
Shake, shake, baby, do what it do
Shake, shake, shake, bounce with it, bounce with it
Shake, shake, baby, do what it do
Shake, shake, shake, bounce with it, bounce with it

You too young to be actin old fashioned
I'm tryna fight for some change like Cassius
My trees stank if you smoking real gaseous
It don't matter where you from, Palace or pasture
You better move it 'til you sweat, then faster
