

## Don't Know

OG Maco

Hey, don't be acting like I don't know  
One thing that I don't know  
Nigga I don't know you  
Wait, don't be acting like we don't know  
Only thing that we don't know  
Nigga we don't know you  
Nigga we don't know you  
Hey, don't be acting like I don't know  
Only thing that I don't know  
Nigga I don't know you

This shit is getting way more private  
How the fuck you even make it on the island  
I ain't even got a suit for the fuck boy  
Throw his ass off the plane, I'm the damn pilot  
Just because the ho sell it, you ain't gotta buy it  
On the low low, nigga they ain't speaking hardly  
That's if we even speak around you  
Every time we're talking money you don't speak about it  
I don't even find it out 'cause it fit you  
I don't even get even 'cause it fit y'all  
We avoid all the rubbish, said we need space  
But you never hear from us 'cept for lift off  
Counting hundreds and the twenties got me pissed off  
You would never make it in but your girl might  
Tell her suck my dick hard, back soft  
Know I got some missed calls, got 'em pissed off

Wait, don't be acting like I don't ball  
Hey, [?] told me that we all gods  
Hey, lord knows we them boys, we don't know y'all  
Wait, lord knows we them boys, we don't know y'all
