

# Mirror Mirror

OG Maco

It's bout time I was your Hugo behind  
I got a bright mind, solar flame when I shine  
That shindigs, I find I bitch and recline  
In due time I'll be breaking her spine  
In meantime I'll be breaking your mind  
Free em, carpe diem, copping denim just to go and put the brand on  
Out the beetle, feed your people, just know when it don't forget to put your  
mans on  
I was eating so abusive, so abusive to these baby backs and prime cuts  
Chasing beef, we got you saying damn  
Pop a planet, got me plotting limbs  
I'm a taurus, so it's fuck the bull  
They ain't for us, then it's fuck the rules  
Whoever won't remain, whoever let him  
Look what happens, I'ma fuck with fetti  
Replacing the wrist so the game prosthetic  
Shock your critics, and they why you so electric?  
Dealers and feelings, based in logic and I rarely heard talking  
Let's move the topic, in my city walking [?] posted  
Gas and pills, tabs and purple lotion  
When life gave me Abshire, hustle lotion  
So much pain and loss to put the plan in motion  
[?] my nigga you not fee  
Pull your card and my nigga you not G

Mirror mirror mirror on the wall  
OG Mac will teach you how to ball  
Mirror mirror, tell em how it go  
Keep it 100 and get the dough

New nigga with the trigger, got a fetish  
Getting fingers, hitting licks in the winter  
Once I dish out and the cash come in  
Got to make some more ends so the stack getting bigger  
Imma buy me some drugs, hit it with the remix  
On some G shit, this that swag shit  
At the cheapest, might get you niggas one hit but fuck it  
Every day I doubted, went and put on for my niggas  
And if my niggas want to win they better get to winging  
Manipulation with concentration  
On the right target, it's confirmation  
To finesse quick, no hesitation  
Ahead till you cash out bitch, yeah  
Yeah you want to live, you want the crib  
You want the car, don't even trip  
Cause once you start you only climb  
No decline, so get your shine  
Yeah, cause this the time to get a [?]  
And best believe you heard it, [?]  
You got that shit from Kushy Stash  
And best believe I taught you how to ball

Mirror mirror mirror on the wall  
Kushy Stash will teach you how to ball  
Mirror mirror, tell em how it go  
Keep it 100 and get the dough
