

Monster

OG Maco

The days are getting longer (The days are getting longer)
These hearts are growing number (These hearts are growing number)
The nights are growing longer (The nights are growing longer)
The cold is getting warmer (The cold is getting warmer)

We all could be the monsters (We all could be the monsters)
We all could be the cancer (We all could be the cancer)
We all don't have the answers (We all don't have the answers)
Does it feel wrecked out when I'm slowly killing you off?
We all might be the monsters
We all might be the monsters
We're only getting stronger

Oh, it's a dark path
Movin' in the dead of night
Takin' at the speed of light
Oh, it's a problem sight
Lookin' in the mirror
Shouldn't be this hard to fight
Oh, we ain't living right
Oh, we ain't living right

Feel it if you feelin' right
Do not fuck with me tonight
I been at the peak of life
I don't wanna see the light
They gon' wanna figure
If you got your money, hide
I've been on a money high
Wait, we're in no crummy ride
Some of these n*ggas snitches
Givin' everyone in sight
Look up in the mirror
Tell me, "We see eye to eye"
Cause we the same bitch, different story
Same shit, different toilet
Same whip, shit's imported
Yes, I feel important with a bill, distorted

We all could be the monsters (We all could be the monsters)
We all could be the cancer (We all could be the cancer)
We all don't have the answers (We all don't have the answers)
Does it feel wrecked out when I'm slowly killing you off?
We all might be the monsters
We all might be the monsters
We're only getting stronger

Oh, it's a dark path
Movin' in the dead of night
Takin' at the speed of light
Oh, it's a problem sight
Lookin' in the mirror
Shouldn't be this hard to fight
Oh, we ain't living right
Oh, we ain't living right

We all might be the monster

We all might be the monster
We're only getting stronger
