

## North Face

OG Maco

My youngins  
My savages  
My riders  
This for my young niggas wearin' and livin', don't grow up  
My youngins  
My savages  
My riders  
This for my young niggas in True and nobody know

This for the young and restless  
This for the young and savage  
They take it away in Heaven  
The money is under [?]  
The money is under mattresses  
That money is in my wall  
Got the gas in my right sock  
Holster in my drawers  
[?] Boulevard  
From the flat to the 9  
Youngins runnin' with a pack  
Shoot 'em down with a AR  
Teach a lesson like a seminar  
We cookin' rhymes, let the water boil  
That's [?]  
Scrape the pot, get the extra dope  
Where we're from ain't no extra hope  
Niggas gon' get it and take from you  
Youngins and bitches, they wait for you  
Move on decisions, you cold case  
Choosin' is pimpin', you know this

On the Gram in the North Face  
Ice on me like a cold case

Ice on me, need a North Face  
Ice on me, need a North Face  
Ice on me like a cold case  
Hundred rounds, I don't need aim  
Ice on me, need a North Face  
Ice on me like a cold case  
Hundred rounds, I don't need aim  
Hundred rounds, I don't need aim

My youngins  
My savages  
My riders  
This for my young niggas wearin' and livin', don't grow up  
My youngins  
My savages  
My riders  
This for my young niggas in True and nobody know  
My youngins  
My savages  
My riders  
This for my young niggas wearin' and livin', don't grow up  
My youngins  
My savages

My riders

This for my young niggas in True and nobody know
