

You play it close
To the chest
You're giving back
What you give
We're trying to cope
With the stress
I'm felling
Alright
Alright
Alright

You play it close
To the chest
You're giving back
What you give
Now put you drink
In the air
And move it
All night
All night
All night
I'm feeling
Alright
Alright
Alright

We're moving
All night
All night
All night
I'm feeling
Alright
Alright
Alright
We're moving
All night
All night
All night

I'm feeling
Alright
Alright
Alright
I'm feeling
Alright
Alright
Alright
I'm feeling
Alright
Alright
Alright

Alright
Alright

I'm feeling
Alright
Alright
Alright

I'm feeling
Alright
Alright
Alright
I'm feeling
Alright
Alright
Alright

Alright
Alright

You play it close
To the chest
We're trying to cope
With the stress
I'm feeling alright
I'm feeling alright
I'm feeling alright
You play it close
To the chest
You're giving back
What you give
We're trying to cope
With the stress
I'm feeling
Alright
