

## Sippin

OG Maco

One cup, two cup, add ice  
One pint, two sprites, that's right  
I'm sipping nigga, I'm sipping nigga  
I'm sipping nigga, I'm sipping

Zips on me nigga, like a hard drive  
Red on a nigga like the roll tide  
My youngins drinking pints like it's good for em  
Imma spill my whole cup swerving in the foreign  
Hit to call the plug work and we got straight to Florida  
Made a check on white squares but they're not bricks  
Fuck that bitch and pull her hair, that's how she liked dick  
She gone call me with the plot if she fuck a lick  
In the trapper boulevard with a dirty stick  
Sipping Act and smoking gas, I got filthy piss  
Taking trips and making hits [?]  
I just want my dogs to eat, fuck the famous shit  
My partner took one to the head from the hating shit  
We probably saw you on the move where my Haitians at  
I can't wait for shit no more, fuck where my patience at  
We drink the red and the yellow till we bounce back

One cup, two cup, add ice  
One pint, two sprites, that's right  
I'm sipping nigga, I'm sipping nigga  
I'm sipping nigga, I'm sipping
